You may need only duplicate to the various other devices.

39 MICROLECTURES: IN PROXIMITY OF PERFORMANCE

BY MATTHEW GOULISH PDF

'A series of accidents has brought you this book.

You may think of it not as a book, but as a library, an elevator, an amateur performance in a nearby theatre.

Open it to the table of contents.

Turn to the page that sounds the most interesting to you.

Read a sentence or two.

Repeat the process.

Read this book as a creative act, and feel encouraged.'

39 Microlectures: In Proximity of Performance is a collection of miniature stories, parables, musings and thinkpieces on the nature of reading, writing, art, collaboration, performance, life, death, the universe and everything. It is a unique and moving document for our times, full of curiosity and wonder, thoughtfulness and pain.

Matthew Goulish, founder member of performance group Goat Island, meditates on these and other diverse themes, proving, along the way, that the boundaries between poetry and criticism, and between creativity and theory, are a lot less fixed than they may seem. The book is revelatory, solemn yet at times hilarious, and genuinely written to inspire - or perhaps provoke - creativity and thought.

A Portmanteau of Literary Accomplishment

By Elizabeth

Matthew Goulish invites the reader to share in his extraordinary life experience in 39 Microlectures. A melding of personal commentary, from dreams as a child, to his own struggle through cancer, Matthew's writing sparkles with insight and understanding. He succeeds in winding the reader's thoughts through narrow passageways- a trip through his own collection and love for architecture, film, theatre and literature. He shares with us his interpretation on the works of Italo Calvino, Eugene Ionesco, John Cage, Rem Koolhaas and countless others. A wealth of knowledge secured in a concise book, bringing the essence of so many important artistic figures together in one edition. Through the inspired writing of Matthew Goulish, interest is sparked and easily developed upon, using the source notes provided within the book. An invaluable reference to a library acquired over a lifetime. I highly recommend 39 Microlectures to any reader searching for an intellectual snowfall.

Absolutely fantastic

By WannabeWriter

At the beginning of the book, Goulish invites you to read out of order; to read partial sentences; to read however you please.

Each microlecture stands beautifully on its own but, together, they create a spirited exploration of art, literature, and life. Perfect for sparking thoughts on these topics. It's great for picking up for fun, too.

Learning by stimulating example

By J. McFarland

This short book of essays jumps all over the map like an overactive brain bent on sharing insights and experience on everything you need to know at once: it's a trip, and a great one. For my part, I took it in short chapters and learned so much. I remain in awe of author and his daring to do this book his way. Liberation!
