When some people considering you while checking out *Dark Chaos (# 4 In The Bregdan Chronicles Historical Fiction Romance Series) (Volume 4) By Ginny Dye*, you may feel so proud. But, as opposed to other individuals feels you have to instil in yourself that you are reading *Dark Chaos (# 4 In The Bregdan Chronicles Historical Fiction Romance Series) (Volume 4) By Ginny Dye* not as a result of that factors. Reading this *Dark Chaos (# 4 In The Bregdan Chronicles Historical Fiction Romance Series) (Volume 4) By Ginny Dye* will provide you more than people admire. It will certainly guide to recognize greater than the people looking at you. Even now, there are lots of sources to understanding, reading a book *Dark Chaos (# 4 In The Bregdan Chronicles Historical Fiction Romance Series) (Volume 4) By Ginny Dye* still becomes the first choice as a terrific method.

About the Author

Ginny would love to get to know every single person who reads her books. Since that isn't possible she can at least let you get to know her a little. Born in North Carolina, she is a wanderer at heart. She has lived all over the United States, exploring every state and having wonderful adventures along the way. She has managed horse ranches in Texas and Oregon; worked with teenagers all over the country (she love them!), and has hiked, biked, rafted and played in every locale she could.

She loves all the beaches, deserts, woods, and mountains she has traveled through but when she discovered Washington, she discovered home. Her heart is at home there with the snow covered mountains; the glistening waters of the Pacific; the eagles and Orca whales; the towering fir trees surrounding her home; and the miles of trails on her own Magic Mountain.

Everywhere she looks inspires her to be all she can be - to follow and achieve all the dreams of her heart! She managed to write and publish 16 books along the way. She enjoys writing many different genres but admits Historical Fiction is her favorite. She is quite sure she will never live long enough to write all her heart and mind holds, but she certainly intends to try!

She is also the Founder of I Am A Voice In The World. This fabulous organization is committed to creating a world-wide community of people with a passion to make a difference and live their best life - using the multitude of FREE resources provided.

Her life will forever be a journey. She knows she will never get to the place where she thinks she has "arrived". The more she learns - the more she knows she doesn't know! Yet. what joy she receives by sharing the light she has... She would love to hear from you at BregdanChronicles.net

DARK CHAOS (# 4 IN THE BREGDAN CHRONICLES HISTORICAL FICTION ROMANCE SERIES) (VOLUME 4) BY GINNY DYE PDF

Historical fiction is my passion. I so love bringing history to life - the reason I dedicate most of my time to writing historical fiction books! Dark Chaos is the fourth book in the ongoing Bregdan Chronicles historical novel series. It's readers like you who have turned it into a worldwide bestseller. Thank you!

Book Description: Dark clouds and chaos descend lower upon America as the war rages around them; threatening all they hold dear.

Carrie and Robert are once more pulled apart, and Carrie finds herself the target of a hostile group of men determined to stop her from providing medical care of black residents of Richmond. How long can she continue to save other people's lives at the risk of her own?

Aunt Abby is sucked into a violent riot in the North, while Matthew faces the greatest challenge of his life.

Rose welcomes new life, while Moses risks everything as a Northern spy.

The ultimate test comes as the people of a once-promising nation must hold on to their faith and dreams as everything around them crumbles.

The fourth book of The Bregdan Chronicles historical fiction series will pull you in and never let you go. You'll experience the Civil War era (and all the years to come) through the eyes of both White and Black, free & slave, Southern & Northern - and you'll fall in love with every character.

How many books will be in the Bregdan Chronicles? You'll have to ask God about that... I intend to write these character's stories, one year at a time, for as long as I'm able to write. I'm passionate about bringing history to life through historical fiction. Since I'm amazingly healthy, that could be for a very long time! I don't like stories to end any more than you do. This one won't end for a very long time!

Review: Best historical series I have ever read! Having visited many of the civil war sites, it is so easy to picture the events that take place in Ginny Dye's series. I have learned so much of how the people who fought and died and suffered during this tragic event in our history! What a waste of American lives....The love interests in the story were told in a wonderful way. Finished Dark Chaos and just bought the 5th in the series!!

Review: I absolutely love this series by Ginny Dye! I read a lot of books about the Civil War, and this series makes you really think about so many things, both large and small, that took place during those years. I have learned so much about things I never stopped to really think about and have a much better appreciation for what they endured for so long. It has really changed my thinking on many issues, and for the better!

Review: As usual I enjoyed every word. It is interesting, entertaining and suspenseful. I dread the end of the

series because I enjoyed it so much. You picked a very important time in history. It helps us learn more about the battles, conditions and thoughts of people at that time. It is a lot more interesting to learn from Historical fiction than a boring text book. Great Job!

Better than a History Book

By Deborah W.

I'd just finished reading my advance copy of Joseph's Dream, the World War I epic by Elana Beth Schwab (<http://www.amazon.com/gp/product/1505823692>) when I found Dark Chaos, another excellent war novel with a strong Judeo-Christian moral stance, and harsh realism that makes the battle scenes exciting without romanticizing war.

Dark Chaos is a well-balanced ensemble piece, with each of the principal characters getting almost equal

“screen-time.” Even the marriage of Carrie and Robert is fully explored from both perspectives. We see the American Civil War through the eyes of a woman doctor, a black Union soldier, a Northern journalist, a captain in the Confederate army, a plantation owner, a schoolteacher in a black refugee camp, a woman suffragist, and a former slave. We follow the course of the war week by week throughout 1863 and 1864. The battle scenes are the best part of *Dark Chaos*, because in every major battle, an important character that the reader is emotionally invested in is fighting on each side. This is an unusual approach in war fiction. The theatrical drama and the moral complexity of the story are greatly increased because the reader doesn't know which side to root for.

History wonks will enjoy the detailed descriptions of a Southern military prison, a refugee camp for escaped slaves, a street riot in New York, a deserted plantation, and a black battalion in the Union army. There are lyrics from Civil War era popular songs, assassination attempts against Jefferson Davis, wartime improvements in shipbuilding technology, prisoner exchanges, even battlefield weather reports and the name of Stonewall Jackson's horse! This book explains aspects of the Civil War that I with my college coursework in US history had never even heard of – for example, the mercenary British sailors who despite England's formal neutrality, ran through the Union naval blockade in order to make huge profits in Southern cotton.

If you're looking for romantic fiction, you might find that *Dark Chaos* gets a tiny bit dry and expository in places. However the characters are engaging, the story is amusing, and the book is well worth reading simply on the grounds that it explains the Civil War better than most history books.

Hopelessly Lost in the Civil War -

By sz

I have read many books, both fiction and non-fiction about this great battle ... Ginny's stories are an easy read and very authentic. They give 'real life' accounts of what families and our country went through, giving you a true sense of history. I highly recommend!

Outstanding historical detail!

By Reader Lady

My Musings

And this amazing story continues with the fourth book of *The Bregdan Chronicles*. *Dark Chaos* is filled with turmoil of the times as the north continues to wage war against the south. I must mention that even though these books are quite long, the pacing is so good that they read as a much shorter story.

This edition of this saga starts out on a happy note with Carrie at long last marrying Robert Borden. Unfortunately that does not last long. General Lee needs him to lead his men in the defense of, yet again, another assault on Richmond. The day after their wedding, Carrie has to kiss him goodbye and live in fear that he will not make it through the upcoming battle.

Dark Chaos covers the period from the spring of 1863 to the following spring. Up to this point the south has come out the victor in most of the battles, but the tide turns when Grant takes over the Army of the West with Joseph Hooker as the Commander of the Army of the Potomac.

After a decisive victory over Hooker at Chancellorsville, Lee marches his army north, while Robert is sent on a diplomatic mission to England. While he is disappointed when Carrie decides to stay in Richmond instead of joining him, he accepts her decision, knowing his strong-willed wife will not change her mind.

Robert is safe in England when Lee suffers a huge defeat at Gettysburg and Grant is victorious in his

campaign to take Vicksburg, gaining control of the Mississippi, cutting the south in half. Unfortunately Carrie and Robert's friend from Philadelphia, Matthew Justin, is not and ends up back in Libby prison.

While Dark Chaos has many dark moments, the love between the various couples grows stronger. We see Moses as a leader of the black soldiers, Matthew making a daring escape with Carrie and Robert's help, Robert barely making it through the perilous crossing from England back to his wife's waiting arms and Rose continuing in her effort to educate the children in the Contraband Camp.

What I love about these books is the chance to see a different perspective on the Civil War. One that shows the turmoil and chaos surrounding the issue of slavery, a story that shows how black and white fought for the freedom of slaves. Even though many in the north do not treat the blacks any better than the south does, men like Moses stay strong in their belief that at the end of this terrible war will be a new day.

At the close of this addition in this epic tale, Carrie is again facing the possibility of losing Robert forever, as once again Richmond is in danger. This is another story rich with history and filled with deep emotion. Now, I shall continue on with the next story in this outstanding series. Happy reading!
