**AWESOME BOOKS!!!!**

By Merea

**HIGHLY RECOMMEND!!** I read the Daughters of Darkness bundle with the 4 sisters wrote by 4 different authors & decided 2 start reading the rest in these series....glad I did. Blair was great in her small adventure. What a good idea behind giving 4 different authors the opportunity to write their story behind each sister. I really liked that idea. So I'm on to the next sister's story. Cant wait. **GREAT READ!!!!**

pleasantly surprised

By coraya

This was pretty good I'm kinda out of books to read and I've never read any of the free books on Amazon so I am pleasantly surprise. My only critique would be I wish there would have been a little more character

development so I could really feel for the characters. The book was over far too soon!

I hate cliff hangers,

By Mandy sundin

I hate it that you didn't write a following book and end Blair's story. I hate cliff hanger, don't just end the book that's way. End her story, does she meet her other sisters, does Victoria know who the other sisters are? Like I have more quotations I would like to see how it ends for Blair. And if you do decide please, don't kill her or Danny!!
