Because you could only save the information in your computer hardware and also device. So, it allows you review it all over you have willingness to check out [Deadly Endplay By Ken Allan](#)

## DEADLY ENDPLAY BY KEN ALLAN PDF

If Miss Marple's village had boasted a bridge club, it might have been very like the one in Pemberton, the North Ontario setting for this Canadian bridge mystery novel. The story evokes the slow pace of life in a small rural town, and whether there even was a murder is part of the mystery. The game of bridge is closely interwoven with the lives of the people in Pemberton - we meet the characters partly through bridge columns from the local paper, and in many cases, get to see how their personae at the bridge table differ from those in their everyday lives. The 'deadly endplay' of the title relates to a deal that comes up in a club game, and also refers to how the murder - if it was a murder - was committed.

Bridge players delight

By JAthey

This charming mystery is about a small-town duplicate bridge club with likeable personalities and a few expert players, several amusing and character-testing bridge hands, and a recent death – or was it murder? – lurking in the background. It includes half a dozen sidebars explaining how a bridge hand works out or doesn't; also how they might add up to clues about the death of someone in the bridge club. Only 200 pages, well-paced and irresistible. Best for bridge aficionados or readers into problem solving; I can't picture a non-bridge player or the "I don't want to think, I just want to be entertained" reader endplaying it all the way – it requires more finesse than that. Touché.
