DRAGONS OF AUTUMN TWILIGHT (DRAGONLANCE CHRONICLES, VOLUME I) BY MARGARET WEIS, TRACY HICKMAN PDF

Dragons Of Autumn Twilight (Dragonlance Chronicles, Volume I) By Margaret Weis, Tracy Hickman. Bargaining with checking out routine is no demand. Checking out Dragons Of Autumn Twilight (Dragonlance Chronicles, Volume I) By Margaret Weis, Tracy Hickman is not type of something offered that you can take or not. It is a thing that will alter your life to life a lot better. It is the thing that will certainly make you many points worldwide as well as this universe, in the real world as well as here after. As what will be provided by this Dragons Of Autumn Twilight (Dragonlance Chronicles, Volume I) By Margaret Weis, Tracy Hickman, exactly how can you negotiate with the many things that has several perks for you?

Amazon.com Review

Think of it as A New Hope for the world of Dragonlance: Sure, maybe it's a little rough around the edges, maybe it's got one cliché too many, but this baby is pure magic. The first volume in the Dragonlance Chronicles series, this classic from Margaret Weis and Tracy Hickman started it all for Krynn, eventually spawning a bestselling 90-plus book series. (And, frankly, you'd do well to stick to the Weis-Hickman titles.) All the heroes that you've likely heard of already--the creepy, hourglass-eyed Raistlin, the noble half-elf Tanis, the comic relief Tasselhoff Burrfoot, the curmudgeonly dwarf Flint Fireforge--they're all here, starting the good fight against the Dark Queen Takhisis as the War of the Lance begins. Pick up Dragons of Winter Night when you're done. --Paul Hughes

From the Inside Flap

A Compelling, ground-breaking, highly imaginative tale from the most phenomenally popular fantasy authors since J.R.R. Tolkien.

Creatures of legend, the dragons have returned to Krynn. Now, the darkness of war threatens to engulf the land. Then hope appears -- a blue crystal staff in the hands of a beautiful bar barian woman. The promise of this hope forces a group of long-time friends into the unlikely roles of heroes: Tanis Half-Elven, their leader, a skilled warrior who detests fighting and is tormented by love for two women; Sturm Brightblade, Knight of Solamnia, driven to restore the honor of the knighthood; Raistlin Majere, the powerful and unsettling magic-user, whose hourglass-shaped eyes conceal dark mysteries; Caramon, Raistlin's twin, a genial giant both loved and feared by his brother; Flint Fireforge, the gruff old dwarven fighter, almost a father to them all; and Tasselhoff Burrfoot, a kender, the nuisance race of Krynn, immune to fear and followed by trouble wherever he goes.

These are the warm, memorable characters of Dragons of Autumn Twilight who bring alive the fantasy world of Krynn, a land millions of listeners will want to return to again and again.

About the Author

Margaret Weis is the author of 14 Dragonlance novels, 11 of them cowritten with Tracy Hickman. She is also the author of the Star of the Guardian novels and has coauthored with her husband Don Perrin the novels Robot Blues, Knights of the Black Earth, Brothers in Arms, The Doom Brigade, Draconian Measures, and Hung Out. She lives in Wisconsin.

Tracy Hickman, in addition to his work on the Dragonlance world, has co-authored with Margaret Weis the Darksword series and the Death Gate Cycle. He is the designer of the game setting Starshield and is the author of the futuristic novel The Immortals. He lives in Utah.

Best fantasy series!

By frank freeze

The character development is outstanding! How could you not love Tasslehoff and his ways all the while having the other characters slowly warm their way into the story throughout this tale. The series is a great read as evidenced by me and others that are re-reading this series for the fifth time!! The imagery is well done and allows you to immerse yourself into the very places these characters wander through. Needless to say one day I hope to go to the Inn in the valley woods and have a great big ale and a heaping plateful of Otiks spiced potatoes!
