Review

"The Tyndale volumes have long been the premier shorter-length commentary series on both Testaments throughout the English-speaking world." (Craig Blomberg, Denver Seminary)

"Tyndale commentaries are always useful, not least because they focus so clearly on the text of Scripture, and do not fall into the trap of paying too much attention to other commentaries and not enough to the scriptural text they are intended to expound and explain. So they retain their usefulness for preachers, Bible study leaders and for all readers of the Bible." (Peter Adam, principal, Ridley College, Melbourne, Australia)

"Within its constraints, this series includes some outstanding volumes." (D. A. Carson, Trinity Evangelical Divinity School)

"There simply is no series of medium-length commentaries that approaches the excellence of the Tyndale commentaries." (Donald A. Hagner, Fuller Theological Seminary)

EZRA AND NEHEMIAH (TYNDALE OLD TESTAMENT COMMENTARIES) BY DEREK KIDNER PDF

"The chequered story of the Kings, a matter of nearly five centuries, had ended disastrously in 587 B.C. with the sack of Jerusalem, the fall of the monarchy and the removal to Babylonia of all that made Judah politically viable. It was a death to make way for a rebirth." So begins Derek Kidner in this introduction and commentary to the books of Ezra and Nehemiah which chart the Jews' return from exile to Jerusalem and the beginnings of that rebirth. As the drama unfolds, we see how international politics, nationalist pride, wise leadership, political intrigue and opportunism, internal dissension and compromise all shape events. But above all and through all we see the good hand of God at work. The original, unrevised text of this volume has been completely retypeset and printed in a larger, more attractive format with the new cover design for the series.

Good little commentary

By Andrew M La.

Though this commentary isn't as exhaustive as some commentaries, I still found it to be very useful. If you don't need to go super in depth or you are just looking for some quick information than this commentary will work for you. If you want something a little deeper I would suggest NICOT's Ezra an Nehemiah by Fensham. The Books of Ezra and Nehemiah (New International Commentary on the Old Testament)

Good commentary, but brief

By Richard

The commentary is very helpful, but very brief. It is not overly academic, but informs the reader of important technical facts as to history and the text. The author also writes from a spiritual viewpoint and not just an academic treatise. I would recommend the book for anyone who is looking for a brief commentary on Ezra and Nehemiah that is not just a dry scholarly work.
