About the Author

Aubrey has been reading and writing since she was about two and a half and has been an avid romance reader since she read her first romance novel in the 6th grade. She wrote her first novel in high school. It was an imaginative historical romance that involved a cross-country trip via covered wagon, and maybe some Indians. She thinks it's still on a floppy disk somewhere (DOS computer, y'all), but can't be too sure. These days, she writes contemporary romance with a lot of humor and sass and characters that have issues. She graduated from Seton Hill University's Writing Popular Fiction program with a Master of Arts in 2008. When she's not writing, she can be found with her husband and their two dogs at home in Austin, on their ranch in west Texas, watching a football or baseball game, or with her nose stuck in a (usually virtual) book.

Love's a shot in the dark...

Owen Daniels is a simple man. He has his friends, two thriving businesses, and a kick ass house he renovated himself. He also talks to his dead mom on a regular basis and can't get a certain curvy brown-eyed woman out of his head. Not to mention the fact that the former soldier and National Guardsman isn't quite the ladies' man his friends think he is. Okay, so maybe he isn't that simple after all.

Women's Three Gun Champion Caridad Mathews is back home in Del Rio, Texas, after leaving seven years ago with a vow to never return. But she's just inherited her abuela's house and lost her apartment in Dallas, so back home it is while she tries to get her life back together. The last thing she needs is a sexy ginger distracting her and trying to fight her battles for her.

But as Owen and Caridad unearth long-buried secrets, neither can deny the attraction that burns hot between them. Can Caridad learn that trust and vulnerability don't always lead to heartache and pain? And can Owen break down his own walls and accept that he can't save everybody?

A little upset now... but highly intrigued!

Great storyline! Definitely want to know if everyone gets a happily ever after!! That being said, I'm a little upset that the next book isn't out yet so I have to wait even longer to know if Chase gets a kidney and Jenn's pregnancy goes ok. Finish the next one Mrs. Gross! :)
