Amazon.com Review

Surely among the most lovable of all Dr. Seuss creations, Horton the Elephant represents kindness, trustworthiness, and perseverance--all wrapped up, thank goodness, in a comical and even absurd package. Horton hears a cry for help from a speck of dust, and spends much of the book trying to protect the infinitesimal creatures who live on it from the derision and trickery of other animals, who think their elephant friend has gone quite nutty. But worse is in store: an eagle carries away the clover in which Horton has placed the life-bearing speck, and "let that small clover drop somewhere inside / of a great patch of clovers a hundred miles wide!" Horton wins in the end, after persuading the "Who's" to make as much noise as possible and prove their existence. This classic is not only fun, but a great way to introduce thoughtful children to essentially philosophical questions. How, after all, are we so sure there aren't invisible civilizations floating by on every mote? (Ages 4 to 8) --Richard Farr

Review

"Dr Seuss ignites a child's imagination with his mischievous characters and zany verses." The Express

From the Inside Flap

Illus. in color. Horton, the lovable elephant, tries to protect tiny creatures on a speck of dust. An easy reader with delightful verse and pictures.

By Amazon Customer

really violent. they talk about mauling, and beating the elephant because he believes there are people on his spec of dust. they rope him, cage him and want to boil the spec of dust while the elephant says you don't have to die, speak up. sending back, too upsetting for my kindergartener

CLASSIC

By Hanna DeBruhl

This is a great novel, a bit long, but really great story. The illustrations are great and the story is a classic.
