KALAMAZOO: GROWING UP SIDEWAYS IN THE 1970S: A COMING OF AGE MEMOIR SET IN MICHIGAN IN THE 1970S BY WINCH PDF

"So this is the waxing nostalgia of adolescent boyhood in Kalamazoo. Stupid stunts, drugs/booze, girls. The writing is kind of redneck with a lot of boner talk, getting into fights, trying to cop a feel. I was strangely fascinated by it. Apparently, there is a part two to it, I want it. It's not really romanticized and it's not a bummer, it's just a story. It's good."

Kalamazoo for Days

By Amazon Customer

Kalamazoo is raw, witty, and visceral. Winch writes with such passion that you can't help but be transported into the world he gives us: the world of a boy coming of age in the 70s in the funky, weird, and sometimes disgusting middle of this country. The antics of the narrator are often hilarious, and occasionally disturbing and even embarrassing. You find yourself asking, over and over, "but WHY would you do that???" And yet...you can't help but love him just a little. This is an absolutely enjoyable and entertaining read.

A Great Experience

By Daniale Lynch

I thoroughly enjoyed reading "Kalamazoo." The writing was gritty yet beautiful, and it pulled me right into the summer days of the narrator. Winch write from the heart and has a knack for opening up our eyes to the beauty and devastation around us. There were points that were touching and poignant, and others that were...maybe a little gross. A great read, nonetheless, and I highly recommend it.

4 of 4 people found the following review helpful.

raw and heartfelt

By Paul Nama

Some people really know how to tell a story, and Winch certainly has that gift. You do not need to be from the Midwest, or have grown up in the 70's, to appreciate Winch's writing - it is raw and heartfelt. I read the zines, and was stoked to see it in book form... there are two others now, and I cannot wait to read them!
