KILLER'S KISS (FEAR STREET, NO. 42) BY R.L. STINE PDF

Fear Street -- where your worst nightmares live...

Delia and Karina are always competing. From getting the best grades, to being the most popular, to dating the cutest guys -- they always fight for the top spot.

This year, they both want Vincent -- the hottest guy at Shadyside High.

Karina's determined to get Vince. She'll do whatever it takes. And if she can't have him, she'll make sure no one else can either....

Including Delia.

Good Fast Easy Read

By James N Simpson

Killer's Kiss is an easy to read fast flowing storyline that although a little predictable it has enough twists that keep the reader questioning what they think is going on is actually what is. R.L. Stine has written a substantial number of books marketed at children, young adults and adults and the publishing company has decided to place Killer's Kiss in the Young Adult category. Whilst some of Stine's childrens' fiction is a bit basic for adults or specifically written to only appeal to a specific age market this is not so with Killer's Kiss. Killer's Kiss is a simple and easy to read book but contains enough storyline substance that those who read most of their books from the adult fiction novel level won't still enjoy this. It also doesn't use teenage specific vocabulary (which would date the book extremely fast if it did) meaning those who are no longer teens can still follow it as well and in ten years time the next generation of young adults will still enjoy it as well.

Killer's Kiss is the story of a the self centred huge egod popular highschool boy (Vincent) and the affect his desire to manipulate two former best friends into believing he is dating each of them exclusively and convincing them the other is just jealous and delusional. Delia and Karina (the two girls) have been competing against each other their whole lives with Delia usually being pipped at the post by Karina. Delia has had enough of this and won't have what she believes to be her current boyfriend stolen from her. Karina has also had enough of what she believes to be Delia wanting everything she has. Throw in a talent contest and you've got an unhealthy competition that's deadly serious!

A GREAT BOOK

By Kar Sie

Although I thought this book would be kind of wack it turned out 2 be a great book. And the ending is so shocking. This was one of my first fear street books and know I read a book of Fear street almost everyday. This book is surprising and u wont let it down until your finish it. A thriller

THIS BOOK IS GREAT

By A Customer

I highly recommend this book to anyone who likes R.L. Stine novels or to anyone who likes a good suspense novel. The plot is that these two girls who have always hated each other and go after the same things, like this guy named Vincent. Both of the girls think he is dating them exclusively, but he's playing both of them. The ending is very unpredictable and interesting
