LEAVES FROM THE GARDEN OF EDEN BY HOWARD SCHWARTZ PDF

In *Leaves from the Garden of Eden*, Howard Schwartz, a three-time winner of the National Jewish Book Award, has gathered together one hundred of the most astonishing and luminous stories from Jewish folk tradition. Just as Schwartz's award-winning book *Tree of Souls* collected the essential myths of Jewish tradition, *Leaves from the Garden of Eden* collects one hundred essential Jewish tales. As imaginative as the *Arabian Nights*, these stories invoke enchanted worlds, demonic realms, and mystical experiences. The four most popular types of Jewish tales are gathered here--fairy tales, folktales, supernatural tales, and mystical tales--taking readers on heavenly journeys, lifelong quests, and descents to the underworld. There is a dybbuk lurking in a well, a book that comes to life, and a world where Lilith, the Queen of Demons, seduces the unsuspecting. Here too are Jewish versions of many of the best-known tales, including "Cinderella," "Snow White," and "Rapunzel." Schwartz's retelling of one of these stories, "The Finger," inspired Tim Burton's film *Corpse Bride*.
