Letters o St. Theresa of the Andes

By T. Halley Newman

This is an in depth look at this teen Agee Saint who loves life, sports, hiking, the ocean and her family and many friends. It is comprised of the many letters she wrote to family, friends, priests and the Mother Superior of the Carmelites where she would enter. This book exposes her very close relationship with Jesus from very young childhood until her death at age 19, only 11 months after she entered the Carmelites
