MCLAUGHLIN AND KALUZNY'S CONTINUOUS QUALITY IMPROVEMENT IN HEALTH CARE BY WILLIAM A. SOLLECITO, JULIE K. JOHNSON PDF

Through a unique interdisciplinary perspective on quality management in health care, this text covers the subjects of operations management, organizational behavior, and health services research. With a particular focus on Total Quality Management and Continuous Quality Improvement, the challenges of implementation and institutionalization are addressed using examples from a variety of health care organizations, including primary care clinics, hospital laboratories, public health departments, and academic health centers. New to the Fourth Edition: - All chapters have been updated to reflect recent trends in healthcare including the more global focus of CQI. - New introductory chapters summarize the evolution of CQI and discuss the factors influencing the application and diffusion of CQI. - Several new chapters cover 'hot' topics such as the role of the patient in CQI, social marketing as an approach to CQI, assessing risk and harm in patient care, CQI in public health organizations, quality improvement in nursing, and quality improvement in resource-poor countries. - A new companion volume of case studies

good information. format sucks

By jn

If you want all of the book content do not purchase the electronic version. Most of the figures have been removed due to copyright issues

6 of 7 people found the following review helpful.

A keeper

By LovesBreakfast

I'm a graduate student, and many of my required readings were from this book. I finally purchased it for myself although it wasn't required. It's been a great resource to keep on my bookshelf and I'm sure I'll use it more over the years.

2 of 2 people found the following review helpful.

I had to buy this book for a grad school ...

By Jodi Gaiser

I had to buy this book for a grad school course and I prefer to use electronic formats so I always have my books with me wherever I go. However, this book has most of the illustrations and tables removed in the Kindle format due to "copy write restrictions". I would have bought the paper version if I would have known this was an issue. Its and expensive book to buy considering half the content is missing.
