Truly enjoyable

By Original_Patricia

I started out reading to one of the grandkids, a four-year old. She was captivated. It wasn't just the pictures, seeing a SuperHero that looks like her, but the story really engaged her also. She followed the comic much better than the story in a regular book with a picture per page. It was the amount of detail that went into each frame that enabled her to follow the story so easily.

Lunella is the best.

By Kindle Customer

Such a fun book. Love the character. And one of my other favorite teenage Marvel heroes makes an appearance in this book too!
