PREMATURE EVACUATION: A NEW ADULT COLLEGE ROMANCE (CAMPUS CRUSHES BOOK 1) BY RACHEL SHANE PDF

When good girl Mackenzie Shaffer's high school sweetheart prematurely evacuates their relationship, she returns to Throckmorton University for her sophomore year with a fool proof strategy: don't get into another relationship. Embracing her new found freedom, she trades Sprite for exotic shots at a bar, ditches the 3D animation computer lab for fun crazy parties, and dives headfirst into a no strings attached fling with allergic-to-commitment Corey Taft. Soon their wild tryst spins through campus Bonnie and Clyde-style, leaving a tornado of casualties in its wake that jeopardizes their place in the school and evicts him from his housing.

But Corey shoulders the blame for their mistakes, branding him as Public Enemy #1 on campus and rocketing him to the top of the Academic Probation list. To save him from expulsion, Mackenzie must find a way to right her wrongs, earn the forgiveness of her friends, and restore Corey's reputation. All while trying not to fall for him.

Book 2, Master Probation, is now available!

Good college romance

By Christine Campbell

I received this book in exchange for my honest review the two main character meet one day n start building their relationship n they have two breakups getting baxck together. She has a moment where she does break down and say she needs help n gets it n starts a new better relationship with Corey the ending leaves you wanting to find out what happens next

2 of 2 people found the following review helpful.

Great Story!

By Gdk222

I was provided a complimentary copy of this book so I could give an honest review.

I enjoyed reading this book very much. The story was interesting and the writing was good. It can be read as a stand-alone book & the author did a great job of making sure everything was explained. I would recommend this to my book friends.

Good College Romance Book

By Angi DeMonti

I received a free copy of this book in exchange for an honest review. This book started kind of slow for me but once I was able to get into it, I was unable to put it down. Mackenzie spent her freshman year of college avoiding parties and fun because of her boyfriend. Once he breaks up with her she returns to school determined to catch up on what she missed out on. Once she meets Corey, things start to spiral out of control. Mackenzie and Corey have their share of ups and down and breakups, however in the end they are able to find the perfect balance. This book is a story about finding oneself without losing oneself in the process. As the characters discover, the easy answer is not always the right answer.
