An Inscrutable Masquerade', 'The Conundrum of Coach 13', 'The Trinity Vicarage Larceny', and 'The 10.59 Assassin'. Inspired by Arthur Conan Doyle's original Sherlock Holmes stories, John Taylor has written four more mysteries featuring the world's greatest detective. Read by acclaimed actor Benedict Cumberbatch, these new adventures share all the suspense of the original tales.

In a drawer in his bureau, Dr Watson keeps a locked cedar wood chest - a 'box of secrets'. It contains an archive of notes referring to some of Holmes' cases that, for one reason or another, never saw the light of day. Now, for the first time, Watson has decided to reveal the truth to the world... In these four thrilling stories, Holmes experiments with the science of ballistics, locates some missing gold bullion, investigates the theft of a large amount of money and solves the baffling mystery of the Stovey murder.

- Published on: 2010-11-01

Mezmerizing and well done

By Cee

I have to admit: despite my hesitancy about hearing another author's version of A.C. Doyle's fascinating character of Sherlock Holmes, I purchased this Audiobook because of my (if I may be so circumspect) recent fascination with Benedict Cumberbatch. I have become a fan of his portrayal of Sherlock through BBC's TV program of the same name. When I had a long drive ahead of me, I purchased this audiobook because the richness of Benedict Cumberbatch's voice and my curiosity about the stories. This is an audiobook worth every penny (this is not a blatant bias). The stories are completely engaging, entirely believable, and written so cleverly that I had a difficult time believing it wasn't some long lost manuscript of A.C. Doyle's own creation. Benedict Cumberbatch (maybe a bit of bias here...) gives life and immediacy to the book with his talent for different voices, and accents (bravo especially for the well done American accent). All in all, this is a brilliant and worthy addition to the Sherlock Holmes oeuvre. Of course, my next question is: when can we expect more?

Left me wanting more!

By SantaFlash

The stories were enjoyable and entertaining. Sherlock Holmes is, by far, my favorite fictional character. I have read/listened/watched nearly every adaptation of the character. I have listened to Basil Rathbone's audio readings, which were good.

I must say Benedit Cumberbatch does an excellent job at the voices of all of the characters within each story. He did a good impression of an American, with only a few word pronunciation slips that are not typical of an American (I know, I'm picky). Still, he did a wonderful job.

I would definitely buy more Sherlock Holmes audio books if Cumberbatch narrates.

BBC Sherlock fans will enjoy this!

By Anne P.

My daughters are both big fans of BBC's Sherlock series, and of Benedict Cumberbatch. They LOVE this! I got it as a Christmas present for one, but they both have listened to it repeatedly. The stories are entertaining, and the narration by Mr. Cumberbatch is the icing on the cake (and the initial reason for the purchase)! Arrived quickly and in great shape!
