Is it a flying saucer?

Is it a Frisbee?

Or is it the best thing they've ever tasted?

Stick Dog and his crazy canine crew have discovered a newfangled flavor—and it's even more delicious than hamburgers and hot dogs. It's pizza! And they won't be satisfied until they get some slices of their own. But it won't be easy. There's a kitten to rescue, a plan to make, and the messiest—and most dangerous—game of catch they've ever played. Pizza is on the menu, but only if their mission succeeds.

By Bryan Finck

Bought this for our 7-year old son after having previously bought him "Stick Dog Wants a Hot Dog". He reads like crazy, but these books are a little different from what he was used to, so I ended up reading that one to him, and he loved it.

When I bought this new one, I was concerned he might still be intimidated by it, but he picked it right up and read it in two days, laughing the whole time.

Will be buying the first book in the series next, and then patiently waiting for a new release!
