Beth Conroy: young, beautiful, Tennessee Teacher of the Year—is shocked to learn she’s been accused of sexual misconduct with a student. Facing a scandal of epic proportions, Palmer School retains private investigator Dani Ripper to sort out the truth and protect their interests. The accuser’s mother gives Dani until noon tomorrow to show proof the charges are false, or she’ll call a city-wide press conference to level charges. As Dani begins her investigation she finds herself drawn to Beth, even as the evidence against her is mounting faster than Viagra test rabbits.

## **PRELIMINARY COMMENTS**

I always finish John Locke’s books the same day I start them. He has a way of sucking you in. This novel was no different.

If you liked "Promise You Won't Tell," you'll love "Teacher, Teacher."

In another author’s hands, the seriousness of the subject would result in a dramatic, heavy-handed morality piece drenched in political correctness. But John seems to have mastered the art of tackling serious, topical subjects with laugh-out-loud humor, in-your-face energy, and razor-sharp dialogue.

Never enough Locke

By Lizz AKA I'm LOCKEd in Now

Teacher Teacher is a treasure. A jewel. An unexpected gem in the midst of this dreary winter. I have yet to read one of Mr. Locke's novels and not fall in love with his characters. Now that could mean I have the same twisted, sarcastic wit. Which is a very wonderful thing. Miss Conroy is precious, and Dani is quickly becoming my favorite character. The sensitive subject matter is handled in only a way JPL could do it, as I kept laughing throughout the entire book.

I tried to pace myself, but it never works. I finished within hours. Thanks Big Guy - Another winner!

John Locke 's Teacher, Teacher

By Janet

John keeps you guessing and the tension mounting like viagra test bunnies. Where and how he comes up with this stuff, I can't imagine, but I love his books.

Another awesome true to form John Locke novel

By Norwin

Absolutely awesome novel with the usual twists and turns and interesting complexities. John Locke is on fire; thanks for the entertainment.
