THE ALPHA & OMEGA BIBLE CODE: END-TIME SURPRISES IN DANIEL, REVELATION & CHRIST'S WEDDING PARABLES! (WHITE HORSE SERIES) BY RICHARD RUHLI PDF

Most people have heard of the Bible code that requires a computer and software to use, but an overlooked code is found in Christ's claim to be Alpha & Omega—the First & the Last. Those are letters in the Greek alphabet which is the basis of our New Testament.

Because Christ is also “the Word” (John 1:1,14), the first (alpha) use of a word may have a meaning or context that we should consider for end-times (omega) in order to see a deeper meaning as we credit the Bible having.

This is something that anyone can do without a computer or software, but it is helpful to have a concordance or use one online to see the first use of words. A link to an online concordance is provided.

The only book that Christ recommended when asked about the end-time was the book of Daniel and the first six chapters each have life and death issues, some of which we may expect to face.

An example of relevant information for our time from Daniel's prophecies are found at <https://islamusinprophecy.wordpress.com/> but this is just one of 10 chapters on the book of Daniel that are discussed!

Christ could not have recommended the book of Revelation for end-times because it was not written till after He ascended, but the opening verses pronounce a blessing on those who read and understand it.

Bible covenants were linked to sevens, so that Revelation with its 7 churches, 7 seals, 7 trumpets, 7 thunders is a picture of how God will keep His covenant with us.

The wedding parables are misunderstood as a rapture. God married Israel when He made a covenant with them and later said, “I am married to you,” Jeremiah 3:14. That's how we must marry Christ when “the Bridegroom comes!” Matthew 25:6. We have been asleep with our lights out on this topic as Matthew 25:5 shows.

The wedding parables offer the richest promise in the Bible-- “He will make [us] ruler over all that He has” if we meet the conditions that are explained herein. Satisfaction guaranteed!

Loved it!

By C M Novak

Enjoyed this book written by Richard Ruhling which gives fresh scriptural inspiration to dig further with all the reference material he provides. The list this book covers is a great help to grasp the deep relevance of end time prophetic interpretation of the Bible which are unfolding before our spiritual eyes. Ending the book with Christ's Wedding Parables is great as it brings a fresh look at the meanings and how important these parables are to our own lives and challenges us all to be ready for what is around the corner . Its highly likely sooner than we think or have been led to think!!!! Be encouraged and enjoy this end time book.
