A Christian Romance Novel, a Runaway Bride . . .

As the wedding music starts playing, poor little rich girl Hope DeMille learns that her husband-to-be loves someone else, but her domineering, high-society father won't let her back out of the expensive wedding he's funded. Enter Rock Anderson, a former inner-city kid mentored by Hope's parents, who's always wanted Hope.

After helping Hope escape, Rock gets her a job at his urban mission and helps her find meaning in her life. But when Hope's powerful father seeks revenge and one of the inner-city kids goes missing, it'll take the best efforts of the Sacred Bond brotherhood to help this opposite-sides-of-the-tracks couple overcome their differences and commit to love.

Set in Pittsburgh, this Christian romance novel shows the gritty side of life, but also the beauty that can come from faith and love. It is the second novel in the Sacred Bond series, introduced in the Christian romance novella A Christmas Bond.

What readers are saying about this Christian fiction series:

“Okay, I am officially hooked. I haven't been this excited since I discovered Dee Henderson's O'malley series.”

“I have a book boyfriend crush on the hero of this book, Rock. He is masculine, handsome, man of God, protective, humble, gentle, kind, romantic, passionate, and BUILT. There is a scene where he is shaving and the heroine, Hope, is watching him, and it's about the most romantic scene I have ever read. Get this book!!!! An exciting discovery

By DMO

Okay, I am officially hooked. I haven't been this excited since I discovered Dee Henderson's O'malley series

(which I've read five times). This author has quickly soared into my top three favorites list. I am an avid reader. At least a book a day. I have over 1600 Kindle books. That's enough to read a book a day for over 4 years and never repeat, and I've read nearly all of them. So when I see an author that stands out, I take notice. The characters in Ms McCain's books feel oh so real and the Christian thread is unapologetic as it winds itself throughout the lives and troubles of the people depicted. Even so, I never felt as if I was reading a thinly veiled sermon. The romantic attraction is superbly done, strong and realistic while exercising restraint and integrity...sigh. I will no doubt be purchasing the next books in the series as they come out and will be rereading them as if visiting old friends. I highly recommend this series.

The Run Away Bride

By Joyful

Another absolutely fabulous Christian Romance by Lee Tobin McClain. Alcoholics and abusive mixed up families come from poor and rich families. Abuse can be in verbal as well as physical. The story plot shows a rich girl running just minutes before she is to marry the man her dad wants her to marry. She runs to a guy that had been a street kid that her dad had paid to send to college. Although they grew up in different worlds, they have feelings for each other. Roc is director of an organization that helps children growing up as he did. Hope had never wanted for anything until she ran from her home to avoid getting married. How does she manage with no financial support? Will she learn to stand on her own feet? What becomes of her family? How does Roc fit in? I highly recommend this book. I was given this book for an honest review.
