Review

"Willrich puts the mystery back in magic and the majesty back in dragons. Gaunt and Bone are the Han and Leia of heroic fantasy." --Howard Tayler, creator of the Hugo award-nominated *Schlock Mercenary* (on *The Scroll of Years*)

"[A] rich sequel. ... this Chinese-inflected fantasy adventure romps along at a madcap pace. ... This lighthearted story is suitable for teen readers as well as adults." --Publishers Weekly (on *The Silk Map*)

"Reading Chris Willrich feels a bit like playing *Dungeons and Dragons*® with a drunken Will Shakespeare. Great fun, and beautifully written." --Saladin Ahmed, Hugo award-nominated author of *Throne of the Crescent Moon* (on *The Scroll of Years*)

"[*The Scroll of Years* is] by turns exciting, terrifying, sorrowful, uplifting, and bone-achingly beautiful. Through deep, layered characterization, the novel constantly surprises and strives to remind us to view individuals on their own terms and resist easy judgments. Like the titular magical scroll, this rich, fantastic tapestry of a story pulls you in and will not let you go, long after you've turned over the last page." --Ken Liu, Nebula, Hugo, and World Fantasy Award-winning author of *The Paper Menagerie*

"I was blown away by Chris Willrich and what he was able to pull off with his novel *The Scroll of Years*. I came into *The Silk Map* with great expectations, and, for the most part, they were met and even exceeded....*The Silk Map* is an epic addition to the Bone and Gaunt storyline." - Kobold Press

About the Author

Chris Willrich is a science fiction and fantasy writer best known for his sword-and-sorcery tales of Persimmon Gaunt and Imago Bone. He is the author of *The Scroll of Years*, *The Silk Map*, and *The Dagger of Trust*. THE CHART OF TOMORROWS: A GAUNT AND BONE NOVEL BY CHRIS WILLRICH PDF

The poet Persimmon Gaunt and the thief Imago Bone had sought only to retire from adventuring and start a family, but they never reckoned on their baby becoming the chosen vessel of the mystical energies of a distant Eastern land. With their son Innocence hunted by various factions hoping to use him as a tool, they kept him safe at the cost of trapping him in a pocket dimension of accelerated time.

Now free, the thirteen-year-old Innocence has rejected his parents and his "destiny" and has made dangerous friends in a barbaric Western land of dragon-prowed ships and rugged fjords. Desperately, Gaunt and Bone seek to track him down, along with their companion Snow Pine and her daughter A-Girl-Is-A-Joy, who was once trapped with Innocence too.

But as the nomadic Karvaks and their war-balloons strike west, and a troll-king spins his webs, and Joy is herself chosen by the spirit of the very land Innocence has fled to, Gaunt and Bone find themselves at the heart of a vast struggle -- and their own son is emerging from that conflict as a force of evil. To save him and everything they know, they turn to a dangerous magical book, *The Chart of Tomorrows*, that reveals pathways through time. Upon the treacherous seas of history, Gaunt and Bone must face the darkness in each other's pasts, in order to rescue their future.

Fine, and unusual, fantasy.

By TBaron

Excellent story, primarily good, deep characters. A few too many deus machina moments and the loose ends did not tie up as well as I had hoped, but a very good conclusion to the Imago Bone trilogy.

Not with a bang ...

By Clay Kallam

Another long-running series is by Chris Willrich, and the latest installment of the Gaunt and Bone novels, "The Chart of Tomorrows" (Pyr, \$18, 540 pages), is unfortunately a bit of a disappointment. The complex plot devolves into confusion and the revival of characters who appear to be dead, and the charm and wit that elevated the first two books gets lost in a too-long page count.

The characters are still interesting, and the mix of Chinese philosophy and proxies for various medieval cultures (Mongols, Vikings, etc.) move things along, but in the end it seems like Willrich was just trying to figure out a way to finish the book – and apparently finish the series, though the door has not been closed.

As always, it's easier to put together a great setup than it is to devise a fully satisfying payoff, and that's exactly what happened to Willrich in "The Chart of Tomorrows."

The Chart Of Tomorrows

Chris Willrich

Pyr, Jul 7 2015, \$18.00

ISBN: 9781633880580

To protect their infant Innocence, Persimmon Gaunt the poet and Imago Bone the thief conceal their baby within the *Scroll of Years*. Now a confused bitter teen who no longer remains hidden, Innocence resides in the Bladed Isles where his incredible magical abilities lead a horde of evil or foolish power-seekers craving manipulating and controlling the youngster.

Bone and Gaunt search for their offspring who loathes them for choosing his alleged destiny over him. At the same time, Snow Pine pursues his missing daughter Joy. The three parents fear for their respective child as the prophecy proclaims these former friends in “exile” Innocence and Joy will fight one another to the death. To save both teens and many more, Bone and Gaunt deploy the dangerous Chart of Tomorrows traveling in time to change the inevitable.

Filled with daring dangerous deeds, the exciting third Gaunt and Bone epic fantasy (see *The Scroll of Years* and *The Silk Map*) is a magnificent magical family drama that grips the audience throughout the tremendous trilogy. The three-dimensional cast (including the villains) makes the tale seem real; as Gaunt and Bone learn the hard way where good intentions lead. Chris Willrich’s latest saga will be on most subgenre readers’ short list as fantasy of the year.
