Better than expected

By sarah m rayfield

Received the book sooner than expected and in great condition! Included a poster too! Which I did not know about (or remember) so that was an added bonus! Best of all - there was a handwritten note and sketch on the receipt. Made the e-purchase more personalized than most bricks & mortar purchases. Best of all, I saved the note in my 'treasure box' of the Xmas that I gave my daughter a book I so loved as a girl.

Thank you!
