Excellent information that every Dom/Top should also read. Great down to earth explanations, along with "Topping" these will round out your understanding of the many ways you can enjoy BDSM with others. Excellent.

A good read within its realm.

By Amazon Customer

it's a good book in its own right, it just wasn't what I was looking for. It seems geared more toward those that

know nothing or have apprehensions/misconceptions about the scene. The Dom do's and don'ts this book is not. It is closer to an extended essay on the division of power within a dom/sub relationship. If you're looking to better understand the emotional side of dom/sub relationships then this is a good starting point.
