Telephone opera

By Lisa M Lowry

I bought this book with the idea that it would come quickly, and it took weeks to come - I don't know why, if it wasn't in stock or what, but I wish that would have been indicated online. So, after a couple of weeks of waiting, I bought a second hand book online (unless I'm mixing these two up) that came quickly even though I ordered it much later). I was unhappy that during the online purchase, the indication was it would come in 3-5 days, and in fact it took weeks.

I only gave it 5 stars because the product itself is good.
