She thinks she's not his type. He's determined to prove her wrong.

Leigha Carmichael is used to the quiet life. A junior accountant by day, she knows girls like her don't have exciting lives. She's smart, shy and her curvy body doesn't fit in among the beauty queens of Las Vegas. Still reeling from her ex-boyfriend's betrayal, Leigha's sworn off all men. Except she has a huge problem, and only the right man can solve it.

The moment he sees her across a crowded bar, Dylan Kane knows he wants her. And Dylan Kane always gets what he wants. Especially when the object of his desire is sitting in his own casino. She's nothing like the skinny, overly made up women he's used to. From her clear gray eyes to her luscious curves, Leigha is the real thing. Exactly the change of pace he's been looking for. And even better, she needs something from him. With the bargain he has in mind, they'll both get exactly what they want.

In the few days she's his, Dylan plans to take control of every delectable inch of Leigha's body. But when the weekend is over, will he be able to let her go?

## **BOOK ONE EXCERPT:**

I saw her across a crowded room. It's such a cliché, especially for me. I see beautiful women across crowded rooms all the time. The Delecta was my casino, and she was sitting at my bar.

It's hard to say what made me stop. She wasn't a showgirl or a model, and nothing like the tall, skinny, overly made up women I was accustomed to. No, she was something else. She was real.

When was the last time I'd had real? Real curves, generous enough to have her hips straining the seams of her navy blue dress. Real tits. Had to be. They were soft and full, even from a distance. They, too, strained against her dress. Mouthwatering. And her lips. A plump bow, ready to open for me. I had to see more.

The Wedding Rescue is Book One in The Alpha Billionaire Club series. Originally published as a five part serial, now you can read the entire book in one volume!

The Wedding Rescue is a standalone romance with tons of steamy action, suspense, and a happy ending. The Alpha Billionaire Club Series is loosely connected to the Scandals of the Bad Boy Billionaires series by Alexa Wilder's alter ego, Ivy Layne.

Loved this so much

By Kitty Smith

I absolutely loved this Cinderella romance! Leigha is an absolute sweetheart who hasn't been treated like she deserves. Her sisters are witches and her ex is a loathsome toad who has left her financially devastated as well as emotionally trashed. She goes to the bar to drown a few sorrows, not to look for another man, but she catches the eye of the last guy anyone would ever expect her to attract. Dylan is crazy rich and mad hot, the sort of guy who belongs with models and strippers, and mostly that's what he's been with but he's tired of them. When he sees Leigha he's hooked because she's nothing like the women he's used to. He's gotta have her.

So here's where this series could have easily gone all Alpha Male, Og Make Fire, Take Woman To Cave, but Alexa Wilder doesn't go down that tired old path and thank goodness she doesn't. Instead she presents us with a filthy rich alpha male who doesn't suck. Dylan has this juicy center that he's not afraid to show around her, although it takes her a bit to realize it's not just an act. He treats her like a princess, both in and out of the bedroom. When her sisters first get a load of the two of them, well let's just say that scene is priceless comeuppance. There's some complications in the form of her ex who won't stay gone, but again Wilder avoids the usual trap of bringing in stupid, misplaced jealousy and anger (the apparent hallmark of most alpha males in romance books) to add drama and instead uses it to showcase what a freaking awesome guy Dylan is. I don't usually swoon over a leading man but this one had me reaching for the tissues. Wonderful romantic series with characters you'll fall in love with over and over.

BBW drink Alone gets Alpha hottie

By The Book Junkie Reads . . .

This is my first read of Alexa Wilder and I must say right off the bat that I am so happy that I got this series. I had so much fun with Leigha Carmichael and Dylan Kane.

Leigha is having one of the worst runs of luck and she has to be bother with her twitty, stick thin sisters and of course her mom. She decides to have a drink before the hail storm begins. Just when she thinks she can take no more. In comes Dylan. She is not sure if she is being punked or what but this chance weekend will be grabbed with both hands and then some.

Leigha goes the distance and some with a crazy ex, an ass of a soon to be brother-in-law, two pain sisters, a mother with or without a clue, and a very sexy man that wants her. This BBW gave me all I could want and more.

“The moment he sees her across a crowded bar, Dylan Kane knows he wants her.” What would a woman give to know that this is what the man in her life was thinking the first time he saw her?

Could not put it down!

By Nickie

Leigha Carmichael is drowning her sorrows in a bar at an exclusive hotel in Las Vegas when a devastatingly handsome stranger sits next to her to see if she's alright. When Dylan Kane saw this shapely beautiful woman across the room sitting by herself, he knew he wanted her in his bed. As she pours her heart out to him, he offers her a solution and a proposition. He'll pretend to be her date for her sister's wedding that weekend, if she promises to be his for the weekend. What starts out as a solution to her dilemma, turns into a sizzling fling. Dylan never expected to fall for this intelligent and beautiful woman, he thought once the weekend was up he would let her go.

I loved this series. The chemistry between Dylan and Leigha was off the charts. This is my first book by this author but I can't wait to read more.
