WISDOM FOR YOUR LIFE: WHAT I HAVE LEARNT FROM THOSE WHO HAVE PASSED OVER BY KATRINA CAVANOUGH PDF

A psychic who works in a hospital shares some of her most memorable cases and what she has learned from those who have just passed over

As a therapist and frontline social worker in a busy emergency department, Katrina faces psychological trauma, death, and grief every day of her working life. What makes her story so powerful is that she also communicates and receives messages from the souls of those who have died. Here she tells some of her many amazing stories from the death of a small baby, to a father who suicides, showing that those who have passed over continue to communicate with us and that death is anything but the end. Using her remarkable ability to talk with those who've passed over, she discovers a bounty of wisdom, and answers to some of life's greatest questions.

I had a great fear of death from then on

By Tammy

This was a wow book. So much resonates with my inner sense of what happens when we die. I recently lost my husband and must say his transition gave us gifts beyond imagination. I lost my mother when I was four and subsequently an aunt and uncle I lived with before I was nine. I had a great fear of death from then on. My husband was on life support and myself and his four daughters had to make that decision we all dread. I had been his caregiver for sixteen years. Everything surrounding us during the hours of saying good bye contained miracles and love beyond earthly measure. After reading this book I understand why. We were blessed with heavenly help and held in the love we shared with husband and father. He was with us. I don't

have the words to express my heart and all that is in it, in this moment. Read the book and you will never look at death the same way again. You will feel blessings and joy. I miss my husband's physical presence but I know the true essence of him is as close as my breath. Love never dies nor does the spirit of us. Such peace

Insightful and inspiring. A must read!!

By Angela Malone

An interesting and thought provoking novel that gives insight into how Katrina communicates to people's deceased loved ones and encourages spiritual connection with them. Katrina's experiences highlight the fact that death is very much a part of living and that the messages passed on to loved ones, helps them accept the predicaments of their circumstances more readily. Highly recommend that everyone should own a copy of "Wisdom for Your Life".

I enjoyed reading this book

By Elisabeth Monaghan

I enjoyed reading this book. Cavanaugh's approach is authentic. She is no guru and doesn't attempt to come across as one. She is compassionate and respectful of death, and she understands the confusion and disruption that death brings to those left behind. This is not a "woo-woo" book. It reminds us to be grateful for each moment that life presents and is a book I will hang onto.
